

# How to submit your paper to 2024 International Workshop on ATM/CNS (IWAC2024)

submission related services provided by:  
**Confit Online System for Academic Sciences**

# 1. Create or log in to IWAC2024 Confit account

## Note:

- A Confit account is required to submit your paper.
- If you do not have an Account, first you need to create one.

**Step 1:** Visit the Confit IWAC2024 submission system via <https://iwac.confite.atlas.jp/login>.  
click **Log in / Create a new account** .

**IWAC2024**  
2024 International Workshop on ATM/CNS

**IWAC2024**  
Electronic Navigation Research Institute

- IWAC2024

**Logging in to a Confit Account**

→ **Log in / Create a new account**

Login to manage submissions and for online registration.

**Confit account**

A Confit account can be used repeatedly at other meetings that use Confit or the next and later meetings.

By using a Confit account, you do not have to create a new account for each meeting nor control multiple email addresses and passwords.

Step 2: Click [Register a new account](#) .

## Logging in to a Confit account / Registering an account

**The method for logging in to Confit has changed.**

An old account created with the previous login method cannot be used. First click "Check an account" to check whether you have a new account. If you do not, please proceed to "Register a new account."

### Check an account

If you are not sure whether you have a Confit account, enter the email addresses you might have registered before to check whether a Confit account has been registered.

[Check an account](#) →

### Register a new account

If you do not have a Confit account, you need to register one. Prepare an email address and a password and register a new account.

## Registering a new account

Enter the following information to register an account:

### Setting an email address and a password

Email address

Password

Alphanumeric characters and symbols can be used. Type eight characters or more, including uppercase and lowercase letters and symbols.

Confirm and agree to the [Terms of Service](#) and [Data Use Policy](#).

I agree to the Terms of Service and Data Use Policy

[Send email](#)

⋮ Flow of registering a new account

1. Enter an email address and a password. Click "Send email" to send an account registration code.
2. Enter the account registration code shown in the email you received and authenticate it by clicking "Register account." When the code has been authenticated, the login screen will be displayed again. Log in using your registered password.

[← Back to Log in](#)

## Step 3:

- Set an email address / password.
- Click "I agree to the Terms of Service and Data Use Policy".
- Click [Send email](#) .

**Step 4:** Enter the registration code sent to your email address and click **Register account** to complete the account registration.

**Note:**

- Make sure NOT to close this screen while you check for the verification email.

## Registering a new account

An email was sent to \*\*\*\*@\*\*\*\*

Do not close this screen. Open another window to check the email.

An email was sent. Enter the six-digit code shown in the email you have received.  
[Click here to register an account with other email address.](#)

**Entering an account registration code**  
Enter a six-digit number (e.g., 123456).

**→) Register account**

**Flow of registering a new account**

1. Enter an email address and a password. Click "Send email" to send an account registration code.
2. Enter the account registration code shown in the email you received and authenticate it by clicking "Register account."  
When the code has been authenticated, the login screen will be displayed again. Log in using your registered password.

**Step 5:** Set a substitute email address in case you need to recover your account details.

**Note:**

Set a mobile phone number for recovery option is available ONLY for authors located in Japan.

### Contact address setting for account recovery

After that, make the settings necessary for a new password.  
If you cannot log in to the account, you can receive an authentication code necessary for a new password at any of the following transmission destinations. In preparation for a time when you cannot use the login email address that you registered, set a recovery email address and mobile phone number.  
**If neither of them is set, there is a chance that the account cannot be recovered.** Whenever possible, set a contact address for recovery.

[Detailed settings for account recovery](#)

**Email address for recovery**  
**Not set**

Whenever possible, set an email address that can be used permanently, such as a personal email address that is not likely to change.

**Set an email address for recovery**

**Mobile phone number for recovery**  
**Not set**

You can receive a password reset code through SMS text.

**Set a mobile phone number for recovery**

**I will do it later →**

## 2. Make a new paper submission

### Note:

- You can download the paper templates (Microsoft Word and Latex formats) here.
- Refer to “**IWAC2024 Author Instructions**” in the IWAC2024 website for more details.

**Step 1:** Check the “Confirm” box and click **Make a new submission**.

### Submission

**Submission Deadline:** May 24 23:59 (JST)

**Notification of Acceptance:** July 26 23:59 (JST)

**Final Paper Submission Deadline:** August 30 23:59 (JST)

Submission Status

Currently, there is no Completed nor Not completed submission.  
All your submissions statuses are displayed on this page and you can edit them at any time during the submission period.

Submission

**Download the paper template of your preference.**

- [Paper template in Microsoft Word format](#)
- [Paper template in LaTeX format](#)

Check “Confirm” and then click “New Submission”

Accepted papers must submit the Copyright Transfer along with the camera-ready manuscript.

Confirm

****

## Step 2: Enter the affiliations of all authors.

### Note:

- Required fields are marked by the **Required** tag.
- First author's affiliation is autofilled from the account profile. Select the Country where the affiliation is located.

1 Authors / Affiliations 2 Submission Information 3 File upload 4 Submission Summary 5 Completed

### Authors / Affiliations

You MUST fill in the fields with the **Required** tag.

**You will be forced to logout when you do not take any action in this page for 60 minutes. We recommend you to press "Save & Continue" at intervals.**

#### Affiliations

Please enter the affiliations of all authors.  
\*You can register up to 30 affiliations.

[Save & Continue](#)

No.	Affiliations
e.g.	Xxx Univ.
1	Electronic Navigation Research Institute

<input type="radio"/> 5 <input type="radio"/> Presenter	Given/First Middle (Optional) Family/Last e.g. Taro e.g. James e.g. Yamada Email	<input type="button" value="Please select"/> <input type="checkbox"/> N/A

[+ Click here to add more authors](#)

[← Back to Top](#) [Next Submission Information →](#)

## Step 4: Enter the title and abstract.

### Note:

- The abstract **must NOT exceed 250 words**. Authors should use the abstract to clearly state the objective of the paper, approach and the expected outcome of the study.

The screenshot shows a web form titled "Submission Information" with a progress bar at the top indicating five steps: 1. Authors / Affiliations, 2. Submission Information (current), 3. File upload, 4. Submission Summary, and 5. Completed. Below the title, there are instructions: "You MUST fill in the fields with the **Required** tag." and a red warning: "You will be forced to logout when you do not take any action in this page for 60 minutes. We recommend you to press 'Save & Continue' at intervals." The form contains two main sections: "Title" and "Abstract". Each section has a text input field with a "Required" tag and a "Save & Continue" button. The "Title" field is highlighted with a red box and includes a rich text editor toolbar with icons for Bold (B), Italic (I), Underline (U), Text Color (X<sup>2</sup>), Background Color (X<sub>2</sub>), and Link (I).

**Step 5:** Enter **at least three** keywords which appropriately represent the contents of your paper.

**Step 6:** Select two technical areas and corresponding topics which appropriately represent the research areas of your paper.

**Step 7:** Select the Category in which you want to present your paper.

After completion, click **Next File upload** to proceed.

The screenshot shows a web form with three main sections, each highlighted with a red border:

- Keywords:** A table with columns 'No.' and 'Keywords'. The first row is an example with '○○○'. Below are five rows labeled '1' through '5', each with a 'Keyword' input field and a 'Required' label.
- Technical Areas:** A section titled 'Select two technical areas' with a 'Required' label. It contains two sets of dropdown menus. The first set is for 'First choice' and the second for 'Second choice'. Each set includes a 'Field of Research' dropdown and a 'Topic' dropdown, both with 'Please select' text and a dropdown arrow.
- Category:** A section titled 'Select the category in which you want to present your paper.' with a 'Required' label. It contains three radio button options: 'Academic', 'Academic (Student Paper)', and 'Interchange'.

Navigation buttons are located at the bottom: '← Back to Authors / Affiliations', 'Next File upload →', and '🏠 Back to Top'. 'Save & Continue' buttons are present at the top right of each section.

**Step 8:** Click “Browse...” to upload your paper.

**Note:**

- The paper **MUST** be A4 in page size and PDF format . Any other formats will lead to an error when uploading.

After completion, click **Next Submission Summary** to proceed.

The screenshot displays a submission process with five steps: 1. Authors / Affiliations, 2. Submission Information, 3. File upload (current step), 4. Submission Summary, and 5. Completed. The 'File upload' section is titled 'File upload' and contains a 'Paper submission' form. This form includes a 'Browse...' button, an 'Upload' button, and a 'Save & Continue' button. Below the 'Browse...' button, it states 'No file selected.' and provides file specifications: 'File size : 10.0 MB' and 'File format: pdf'. At the bottom of the page, there are three navigation buttons: '< Back to Submission Information', 'Next Submission Summary >', and 'Back to Top'.

**Step 9:** Make sure that the entered information are correct and click **Submit** to complete your submission.

1 Authors / Affiliations 2 Submission Information 3 File upload 4 **Submission Summary** 5 Completed
